

Brimfield Lions Club

The 5th Annual Power Walk for Diabetes will be held May 18, 2013, 9:00am, starting at the Gazebo Town Park (corner of 43 & 18, Brimfield), rain or shine. The Brimfield Lions have a motto "We Serve"; through that motto we established the Power Walk for Diabetes. This event was created to raise money locally for Diabetes care. One out of every three people will get diabetes. We are a firm believer that we can make a difference in our community.

There are two walking distances, 2 miles and 5 miles through a residential area in Brimfield. We are asking for walkers to participate and enlist sponsors to help raise money for diabetes.

Last year walkers and corporate sponsors raised over \$5000 for diabetes care to benefit Townhall II and the Maxine Lyman Foundation at Robinson Memorial Hospital. Townhall II used the money toward medical care, treatment, and testing via their Medical Clinic. The Maxine Lyman Foundation used the money via their Diabetes Care and Education Center devoted to education, monitoring and supporting diabetic patients.

Through your support and donation we hope to exceed last year's campaign. Help us stop the fastest growing disease.....diabetes.
